ELEVAR NEW VISION (ENV) ROUND
technical specifications

ELEVAR NEW VISION - ROUND (ENV)
Workstation

Introducing ENV Round – A New Look for the Next Generation of Ergonomic Desks.

The latest in ergonomic workstations is now available with stylish Round Legs for a softer, more contemporary look. Available in 2-leg, 3-leg, 4-leg back-to-back, and 4-leg meeting table configurations, ENV is designed with user comfort and efficiency at its core from the moment of assembly.

Engineered in collaboration with Elevar and their European partners, the ENV Round system features cutting-edge technology to deliver a faster, quieter, and more seamless sit-to-stand experience.

Leading the innovation is the ENV3 Round 3-leg workstation—the world's first fast-assembly 3-leg workstation for commercial use. It supports versatile 90°, 120°, and 180° setups, all from a single frame.
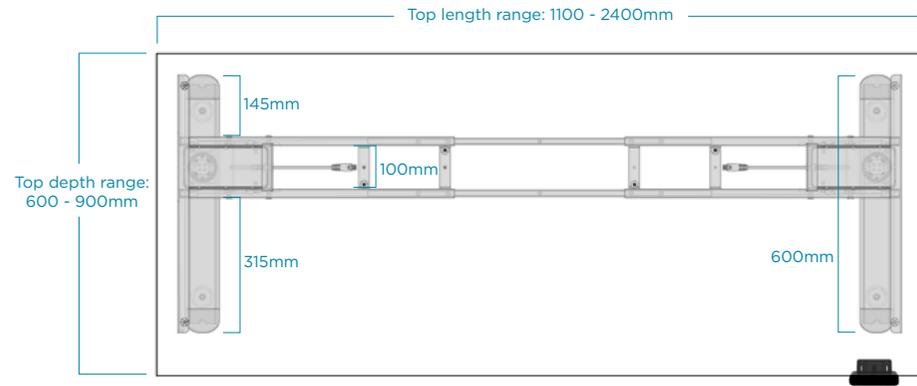

ENV Workstations by Elevar – Raising the Standard, Now with a Modern Edge.

|	
Product Type	3-stage electric workstation - 1 motor per leg
Certifications	AFRDI Blue Tick certified AS/NZS 4442 standards compliant
Weight Capacity	2-leg 120kg 3-leg 150kg 4-leg meeting table 200kg
Height Range	595 - 1257mm 620 - 1282mm w/ 25mm top Adjustable glides ±15mm
Operational Speed	60mm/sec at maximum weight load Operating volume less than 40dB
Configuration	2-leg desk 3-leg workstation 4-leg back-to-back workstation 4-leg meeting table
Colour	Pearl White (*W), Pearl Black ('B), Custom colour on request (indent only)
Warranty	10 years parts replacement including frame, mechanical, and electric components
Controller	Lockable LED controller 3 favourite settings Programmable min/max height range Collision and tilt avoidance sensors Safety lock USB-C fast charging port
Cable Tray	Fast tray attachment Single and shared B2B trays, telescopic for multiple sizes Up to 16x GPO or data Segregation channel Integrated screen brackets suits up to 50mm screens
