## Overview

Jubel Lounge combines a compact space with generous volumes. This modern and versatile lounge chair, designed to fit seamlessly into variety of spaces; like private offices, hotel lounges and rooms, waiting areas, and collaboration areas.

Its simple, flexible, design makes it a perfect choice for any setting. The chair's refined workmanship ensures both quality and comfort. This is another product where anyone would notice the wonderful tailoring skills of ChairSolutions upholstery masters.

## Features

- Robust internal steel frame for extra strength
- Featuring an inner spring seat for comfort
- Cold-Cured fire retardant moulded foam
- Generous sized tub shape enfolds the body
- Handmade locally by skilled trades people

## Dimensions (mm)

Height Overall	Width Overall	Depth Overall	Seat Height	Arm Height
860	730	790	430	600 *

### Stitch Detail Upholstery

The sculpted lines of the seat and back, combined with meticulous stitch detail and generous upholstery, are designed to deliver outstanding comfort levels.

### Matte Black Legs

One of the standout features of the Jubel Lounge is its extended back legs, which join the back and the seat, adding a subtle yet refined design detail.

### Comfortable Sitting

The wide seating surface, the inclination, and the length of the armrests allow the body to settle comfortably.

### Long lasting

Made of cold-cured polyurethane, this surface emphasises the sculptural presence and also provides durability for long years of use.

### Homely Softness

140mm thick soft seat contains an integrated spring pack wrapped entirely in moulded foam for optimal comfort.
