## BURO METRO ENHANCEMENTS

### Ergonomically better for you:

Enhanced lumbar support through a unique mesh tensioning system.

*"The even distribution of contact pressure felt on the upper lumbar and lower thoracic spine, provides extra support for good posture, reduced tension and improved circulation."*

- Andrew Wilson, Ergonomist & Osteopath

## Material Analysis

Buro Seating acknowledges its responsibility to develop environmentally sustainable products and business practices and consequently is committed to growing our range of chairs which are manufactured from recycled and/or recyclable materials. Buro's environmental management system (EMS) provides the framework for managing our environmental strategy;

### MAIN PRINCIPLES

- To design products and processes that utilize minimal raw materials.
- To design products with a minimum end of life recyclability of 80% in NZ and Australia.
- To reduce, reuse and recycle waste.
- To develop an understanding of legislation relating to the environment and affecting the activities of our company.

Buro is committed to developing a "cradle to grave" process for all seating products wholesaled in NZ and Australia.
